PROFESSIONAL
ORAL RINSE SOLUTION

The high efficacy of iodine

PRODUCT DESCRIPTION:

Oraclyr Rinse Solution is a clear solution based on a copper-iodine complex platform for continued gum health and dental hygiene.

DIRECTIONS FOR USE:

Rinse **Oraclyr Rinse Solution** vigorously twice daily or as directed by your dentist using 1 oz (30 mL) of Oraclyr for 30 seconds. Then spit out excess. Do not swallow.

Caution: For use by adults and children 12 years of age or older. For children 6-12 years of age, supervise use. Not for use by children younger than 6 years or people with known sensitivity to any of the ingredients.

Handling: Non-irritating, non-toxic, and non-sensitizing. No special handling precautions required.

Storage Conditions: Store at Room Temperature. Avoid excessive heat.

Disposal: No special disposal considerations are required.

Further Information: For additional information or reporting of adverse events please contact customer service at the address below.

Not sold in stores. Available only at professional dental offices or online www.clyramedical.com
